Dear Mr. Dowd:

On behalf of Grimsby Town Council I would like to express our appreciation to you and Mr. Lewis for responding to our request for information with respect to sightings of coyotes in the urban areas of the municipality.

Your presentation was very informative and interesting, resulting in a better understanding of the problem by all concerned. The specific research undertaken in the community brought forward various situations attractive to coyotes, and our staff can now provide information to residents who have seen these animals and are frightened by them, and advise of measures that can be taken by individuals to reduce the attractants.

Again, thank you for your response and thoroughness in addressing this issue.

Yours truly,

Kathryn J. Vout
Town Clerk
