AAA Wildlife Control
Attn: Mr. Bill Dowd
297 Brucedale Ave. E.
Hamilton ,ON L9A 1R2

Dear Mr. Dowd, *Bill*

Thank you so much for your generous donation of wildlife proofing services to Hamilton's Ronald McDonald House. The house is being proactive about these concerns and we greatly appreciate your contribution.

As you know, Ronald McDonald House in Hamilton is a home away from home for families of critically-ill children who are receiving treatment at area hospitals.

Children who are coping with a serious illness need so much more than just medication or surgery. They need the love and support of their families nearby while they are undergoing treatment. Their families need a comfortable and inexpensive place to stay when their top priority is being near their ill child.

Ronald McDonald House has made an enormous difference to thousands of sick children and their families since it opened in 1993. Time and again our families thank us for the 'kindness and support' they receive at the House and say they can't imagine how they would have coped without our service.

Thank you so much again. Your support is so greatly appreciated.

Yours sincerely,

Pearl
