This is to confirm that AAA Wildlife Control has done work in our Co-operative to remove and reduce our bat problem.

Brandon's workmanship is exceptional and he has always conducted himself with the utmost respect and conscientiousness when dealing with the members of our co-operative. When called, he responds promptly and in the past has been very generous with his time when called last minute to remove bats. He has been found to be dependable, honest, personable, hard working and extremely accommodating.

We highly recommend Brandon and AAA Wildlife Control for any project. If you have any questions, please feel free to contact our office.

Sincerely,
